Subject:- Sanction of Staff to the Special Duty Officer appointed for examining the - titles to and interests in immoveable - - properties.

-

I have the honour to state that with a view to examining the titles to and interest in - - - immoveable properties leased or granted by Military authorities in the Civil and Military Station, Bangalore, with the object of the titles of - - present holders being regularised on reasonable terms or the lands so leased by the Military - - authorities being resumed on payment of compensation or otherwise as circumstances may warrant in which case Government in their order No. 11040-11044/C.B.272-50-1 dated 3rd November 1950 have sanctioned the appointment of an Officer, belonging to the cadre of Assistant Commissioner to be - - placed on special duty for work connected with the above with a direction that the special Duty - - Officer will go into the records relating to the leases and grants and make specific recommendations in respect of each property supported by records and forward them to the Government through the -- Deputy Commissioner, Bangalore District, Bangalore, for final orders.

In pursuance of the above Government Order Sri S.H. Venkatesh, B.Sc., acting Assistant - - Commissioner, who was working as District Development Officer, Bangalore District, has been - - appointed as Special Duty Officer under Government Order No. 11045/C.B.272-50-2 dated 3rd November 1950 and he has assumed charge of the new office on the forenoon of the 15th instant from which -- date the posts of the District Development - - - Officers have been abolished.

It is reported by the Special Duty Officer that from a perusal of the records that are now sent to him by the District Office, it is seen that certain lands in the Civil Station area -- have been leased as long back as 50 to 60 years ago and whether the terms of the lease have been observed or not and whether there is any encroachment on the part of the lessees on other Government -- lands has to be examined in respect of each of -- the immoveable properties leased by the Military authorities and that just at present from the - - information that he could gather from the records now available, it has not been possible for him to definitely say as to the exact number of - - - immoveable properties leased by the military - - authorities prior to retrocession and that he is taking action to collect all the available - - - - records in this behalf. He has also stated that he has to inspect the various immoveable properties leased by the Military authorities in the - - Civil Station area with a view to identifying them and also to find out whether there is any encroachment

p.t.o.

encroachment on the part of the lessees with reference to available records on hand, and for which purpose he has stated that the - - services of an Executive subordinate official is felt necessary. The Special Duty Officer also states that from the perusal of the - - records and the nature of the work, he feels that there is suffucient work for three officials in the Office and he has accordingly -- submitted proposals for the appointment of -- the marginally* noted Executive and Ministerial Staff for obtaining immediate Government sanction thereto.
